Application Questions

Note: Your creativity in presenting this information is encouraged, however, remember the content is the most important (i.e. if your video or writing is super slick, but focused on how much you love cats, it won't help your application very much). If submitting multimedia for a particular response, please just include link below.

.....

I. How have demonstrated creativity in communicating or coordinating? It might be an experience, an assignment, a poster, a meal, a schedule, event, etc.

II. Write, draw, attach a photo, video, etc about particular part of your life (or future) life that you feel compliments our mission to create opportunities for activities and educational experiences between science, culture, ideas, and the arts.

III. Your proposal for an internship with Driftless Art Collective.

Limit to 2 minutes (if video), or 200 words, include proposed title of internship, 3 skills or qualities you bring to the position, as well as three points you'd like to explore through the internship.
